

JOB OPPORTUNITY

PUBLIC HEALTH NURSE - BERNARDS TOWNSHIP – Bernards Township, located in Somerset County, is seeking an experienced Public Health Nurse to work part-time 16-18 hours per week at \$40 an hour. This is a temporary COVID-19 grant awarded through the NJDOH and may be extended. The Public Health Nurse works under general supervision to promote and protect the health of populations through the performance of core public health functions and the delivery of essential public health services. Responsibilities include COVID-19 and communicable disease investigation and reporting, immunization audits, administration of vaccines with standing orders, elevated blood lead investigation, education of local physicians in the CDRSS system within the 6 interlocal contract municipalities, adult health screening programs, public health emergency preparedness and response, and related work in collaboration with the Health Officer and staff as required. The hired nurse will expand clinical operations and increase the number of administered COVID-19 vaccines by working with community organizations through pop-up clinics, mobile vaccination units, etc.

Excellent communication skills a must. Applicants must possess a bachelor's degree in Nursing or Public Health Nursing Science, a NJ State Board of Nursing License, and a valid NJ driver's license. Bilingual ability to communicate in Spanish preferred. Submit cover letter and resume to Lucy A. Forgione, Health Officer, Bernards Township Health Department, 262 South Finley Ave, Basking Ridge, NJ 07920, or email to lforgione@bernards.org.
