COVID-19 : What You Can Control

One of the most frustrating things about COVID-19 is all the information about the virus coupled with limitations on where you can go and other things out of your control. However, there is plenty that you can control. By focusing on the things you can control, you can bring comfort to yourself and your family during these tough times:

- | | | |
|-----------------------------------|---|---|
| Your Mind & Body | - Keep a healthy diet. | - Do not smoke or drink alcohol excessively. |
| | - Exercise at home. | - Take care of your mental health. |
| | - Try and get plenty of sleep. | - Maintain self-care and personal hygiene. |
| Your Immediate Environment | - Your house, your bedroom, your closet, your kitchen – now is the time to clean and organize. | - Make responsible choices about when to leave your house and only go out if necessary. |
| | | - Limit the amount of people you see – work from home. |
| What You Consume | - Don't over-do your news and information intake. | - Watch TV, movies or videos that make you feel good. |
| | - Get your information from reliable sources like the CDC. | |
| How You Prepare | - Keep 2-4 weeks of food on hand. | - Avoid overstocking on supplies that are in high demand |
| | - If you have medication, get refills and keep a month's supply if possible. | so that other can have enough of the essentials too. |
| How to Protect Yourself | - Regularly wash your hands with soap and water. or use a hand sanitizer with at least 60% if needed. | - Avoiding touching your nose, eyes and mouth. |
| | - Keep 6 feet of distance between you and anyone who is coughing or sneezing. | - Avoid greeting people by shaking hands, kissing or hugging. |
| How You Protect Others | - Stay home if you are sick. | - Clean and disinfect frequently touched surfaces. |
| | - Cover your coughs and sneezes. | - Cover your nose and mouth with a face covering when you go out in public. |

2019 Novel Coronavirus (COVID-2019) Resources and Links

The 2019 Novel Coronavirus (COVID-2019) is a rapidly evolving situation. Members of the public are urged to keep up to date by visiting trusted public health resources.

Testing Updates- As of 4/13/20 –

- For the most up to date information on NJ Testing Sites [click here](#).
 - **Somerset County** – Joint testing site with Hunterdon County at Raritan Valley Community College. 118 Lamington Road, Branchburg, NJ 08876. Drive thru testing by appointment only with valid doctor's prescription. Open April 16, 17, 20 from 10 am – 1pm. Subject to change. Check status of test site at <http://www.co.somerset.nj.us/covid19status>. After April 14th 9 am residents of Somerset or Hunterdon County can make an appointment at <https://somerset-hunterdon.adlabscovidtest.com>.
 - **Morris County** – Drive Through. Located at Morris County Community College. 214 Center Grove Rd, Randolph, NJ 0789. For patients with a doctor's prescription.
- Most doctor's offices, urgent cares and hospitals are testing symptomatic patients. **If you are feeling unwell, call ahead to your healthcare provider. DO NOT just show up to an office, urgent care or ER.**
- For more information or testing - [visit the CDC website](#).

Serum Antibody Testing Facilities

Individuals who have recovered or are recovering from COVID-19 could help other patients with COVID-19 through serum antibody testing. To find out more, click [here](#).
