

# Adverse Childhood Experiences & Trauma Informed Care Workshop

Join us as Somerset County Municipal Alliances host presenters, **Tracey Heisler and Ellen Davis**, in an **Adverse Childhood Experiences & Trauma Informed Care Workshop**. Adverse Childhood Experiences (ACEs) are common, interrelated, and powerful. Join us and learn more about the **groundbreaking ACEs study**, the neurobiological adaptations that occur in childhood as a result of toxic stress, the intergenerational role that ACEs play in families, and the core protective factors that insulate children from exposure to adverse childhood experiences.

**Tracey Heisler is CASA's SHaW's executive director**, first becoming involved as a volunteer in 1999. Tracey is a graduate of the University of West Florida with a BA in Psychology (minors in Juvenile Justice and Forensics) and a MA in Counseling Psychology. She has previously worked with juvenile and adult offenders as well as child victims of abuse and neglect.

**Ellen Davis is CASA SHaW's Director of Development** and previously served as executive director of CASA of Bergen County. Ellen is a graduate of Salem State College with a BS in Elementary Education. She has worked with at-risk youth for nearly 40 years. Understanding the role that Adverse Childhood Experiences (ACEs) play throughout our lives has become an area of focus of CASA SHaW's child advocacy mission.

**FEBRUARY 15TH 2023**

**6:00-8:00PM**
